Chapter 1 by Groot

Hello m8's i am xXxtrikshottaweedxXx and i will tell you the tale of how i deafeted teh illumineti. I woke up and ate a hearty breakfast of mountain dewritos. I then blue-screened and glitched out of the world. I rebooted my game and went to MLG school. It was my last day of school and i was 420 minutes late. I saw my friend xXxXx420w33dxXxXx. He was practicing his quickscoping on the scrubs who camped all day. I approached him and said, "Sup m8." xXxXx420w33dxXxXx said, "Gr8 memes here, and what brings you here?" I said, "m8 we are 420 minutes late to MLG school." He said, "lolololololol, i am late too, we must go fast." We both gotta go fest and we became very dusty. When we got there, Mr. Pepe was teaching us how to mlgscope. He mlgscoped another student with the megamlgnocopequickscopetricksponsored by opticfazeclan. Only the Illuminati knew this secret tactic and Mr. Pepe was arrested. He tried to save himself and called in a tactical nuke on Optic Faze clan but they quickscoped it out of the air.
